

**PRODUCT FOCUS:
IMWITOR® 375**

INCI: Glyceryl
Citrate/Lactate/Linoleate/Oleate

A multipurpose O/W emulsifier that's Palm-free and 100% natural (Sunflower based)! Imwitor 375 offers versatility and flexibility in formulating. . . milks, lotions, gel creams, soft or rich creams. . . all with a single emulsifier! Suitable for both hot and cold processing methods. You'll love Imwitor 375 in your formulas for body and facial care, in sun care products (did we mention it's a great dispersing agent for inorganic UV filters?), hair conditioning and bath oils. Best of all, it's cost effective with typical concentration at 0.5-3%!
